

Expatriate mortgages available to individual landlords or limited companies

Why Foundation for Expats? At a glance

- Available to UK nationals living as Expats worldwide applying either as individuals or limited companies
- Broad range of products including options for Green, Short Term Lets, HMO - **Click here**
- ICR calculated same as core range: 125% for basic rate tax payers and Limited Companies, and 145% for others
- Up to 75% LTV
- Available for retired Expats subject to proof of income in retirement
- Where proof of income is required, we only require 1 year's evidence
- Applications accepted from over 60 countries, including EU/EEA/Switzerland subject to conditions* but cannot accept applicants resident in Australia & UAE

Making it easier to do more business with us

As well as opening up our Expat range to individual landlords, we have simplified or removed some underwriting requirements to improve efficiency, including:

- Only 1 year's income for Expats required.
(Please note our portfolio criteria applies if the Expat applicant is a portfolio landlord)
- No automatic requirement that we speak to the borrower
- ID/proof of residency now includes
 - residency cards
 - official UK government-issued correspondence
 - credit and utility statements from UK firms.

**Contact us for details on options for individual expats resident in EU/EEA/Switzerland*
