Tariff of Mortgage Fees and Charges

Foundation Home Loans is a trading style of Paratus AMC Limited, which is closely involved in the mortgage industry's initiative with UK Finance, (formerly the Council of Mortgage Lenders) and Which? to make our fees and charges easy for you to understand.

Our tariff of fees and charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the various types of fees that other firms charge, you may notice that some do not appear in our tariff (below). This means that we do not charge you those fees.

Name of Charge	What this charge is for	How much is the charge?
Before your first monthly payment		
These are the fees and charges you may have to pay before we transfer your mortgage funds		
Application fee	Assessing and processing your application (even if your application is unsuccessful or you withdraw it)	£199
Funds Transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£35
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your purchase or remortgage transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	These fees/costs are charged to you directly by the solicitor.
Additional/other Legal fee	You may be required to pay legal fees for obtaining independent legal advice from a solicitor in respect of any personal guarantee you may be required to give us in connection with your purchase or remortgage transaction. For example, if you are applying as the Director of a Limited Company you will be required to provide a personal guarantee.	These fees/costs are charged to you directly by the solicitor.
Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	The product fee may be a fixed fee or a percentage of the loan. Amounts may vary. Please refer to your pre-sale illustration for specific details.
Offer Extension Fee	This fee is payable where you request and we agree to extend the mortgage offer beyond the original validity period. The fee is payable upfront and will not be added to the mortgage.	£495.00
Valuation Re-inspection fee	If your mortgage is released in stages and you're using it to renovate your home, this covers the new valuation we need to do after the work is carried out. <i>We do not release your mortgage in stages. We may, however, retain the whole mortgage until necessary work identified by the valuer has been completed, and this fee covers the new valuation we need to do after the work is carried out.</i>	For all standard properties (including short-term lets): £75 For all HMOs and multi-unit freehold blocks: Fee is variable dependent on initial valuation cost.
Valuation Re-type fee	If you have an existing valuation report on your property carried out on behalf of another lender by a valuer who is on our panel, we may accept that valuation, but will ask our valuers to re-type the valuation and submit it using our standard documentation. This fee covers the re-type process.	For all standard properties (including short-term lets): £35 For all HMOs and multi-unit freehold blocks: Fee is variable dependent on initial valuation cost.
